

Compass Educational Services, LLC

Compass Educational Services specializes in individualized approaches and comprehensive assessments to address the learning needs of students with a wide range of abilities and educational goals. We offer...

Helping parents
navigate the course
of their child's
education.

Educational Testing

Compass Educational Services provides a range of testing, including:

- ◆ Screening tests to identify performance levels within an academic area.
- ◆ Comprehensive educational evaluations to provide an analysis of academic ability.
- ◆ Comprehensive psychoeducational evaluations to determine strengths and weaknesses of cognitive processing and executive functioning.
- ◆ Assessments for academic motivation, learning styles, work habits, and career interests.

Consultation

Compass Educational Services can give advice to address concerns about a child's learning challenges (attention, behavior, academic). This service may include:

- ◆ Observing the child in school.
- ◆ Academic planning to help attain educational goals.
- ◆ Assisting with the 504 plan or IEP development or process.
- ◆ Communicating with other agencies or schools on behalf of the parents.
- ◆ Preparing parents for meetings with school personnel.
- ◆ Monitoring the child's progress while in a school or program.

Advocacy

Compass Educational Services offers support for children requiring special education services, 504 plans, and those in gifted and talented programs.

This service may include:

- ◆ Assisting in the selection of modifications, accommodations or auxiliary aids to support a child's learning.
- ◆ Working with other professionals to assure that a child receives the appropriate support to optimize potential.
